Big Things are Built One Brick at a Time

Kingsdown Pre-school needs help to raise funds to go towards the recently approved plans to build a new pre-school on the grounds of the local primary school.

The new pre-school will boast a complimentary design, offering a safe and nurturing setting in the heart of the community. The children will benefit from a purpose built facility with a free flowing outside space in which to provide an inspiring learning environment.

Kingsdown pre-school needs to raise **£200,000** through fundraising and donations to bring this project to fruition.

Please **'Buy a Brick'** for Kingsdown Pre-Schools new building!

£10

per brick
(suggested donation)

A recognition plaque will be on site displaying all the names of the contributors.

If you would like to make a donation; please complete and return the attached form in the envelope provided and return to the village hall. Alternatively, pop us an email to discuss.

Thank you very much in advance!
